

London

2 July 1891

D. James Watson

Sir,

I have for disposal
four sets of dried plants
collected by myself in Penang
and the Langkai Islands,
a large proportion of which
are named or bear my
numbers which are being
quoted by Dr. G. King in
Materials for Flora of
Curtis.

Malayan Peninsula.

Set 1 contains 380 species

" 2 " 305 "

" 3 " 191 "

" 4 " 106 "

Sets 1+2 are offered at £2.,
and 3+4 at 30s per 100.

Should you care to acquire
a set for your herbarium
kindly let me know as soon
as possible. I shall be
returning to Penang in the
autumn and if you wish

can send you additional
specimens from time to time

Your Obedt. Servant

W. G. Carter F.R.S.
